# UKCISA Manual 2012

---

*“This is an invaluable handbook for all those who advise students about their immigration status. It is meticulously researched, clearly set out and very user friendly, particularly for those who are not used to advising students from overseas. It should be on the desk of every student adviser who advises international students.”*

Alison Stanley, Head of the immigration department, Bindman and Partners

The Manual provides clear authoritative guidance relating to international students and

- Immigration
- Fees and Student Support
- Welfare, health, and tax benefits
- Council Tax and Northern Ireland rates

The Manual is comprehensively updated once a year. However, the relevant legislation and procedures are subject to continuous change.
